

Your safety is important to us. Thank you for observing the following:

BACK TO

HIGHWAY

Staff Amenities

• Keep a safe distance from cliffs; edges may be unstable

Watch your step

Keep to the walking tracks

Carry water

Keep children under surveillance at all times

• Keep a safe distance away from (and definitely don't handle) any of the diverse, and sometimes dangerous, wildlife on The Jump-Up

• Be cautious around waterholes after rain.

Tirst aid stations are located at the Laboratory, Reception Centre and Dinosaur Canyon Outpost
