

YOUR UNIQUE DINOSAUR EXPERIENCE

The Australian Age of Dinosaurs Museum, located on The Jump-Up, is home to the largest collection of Australian dinosaur fossils in the world and is Australia's first International Dark-Sky Sanctuary.

The Ultimate Dinosaur tour includes a guided tour of the Fossil Preparation Laboratory, Collection Room and *March of the Titanosaurs* exhibition and a self-guided walk of Dinosaur Canyon. To ensure the best possible experience and safety most of the Museum's facilities can only be viewed by guided tour. The walking trails, picnic areas, dinosaur sand pit, Museum Shop and café complete a great day out.

Arrive **15 minutes**
before the start of
your tour to check in.

.....
Stay the day and
enjoy a yarn over
lunch!
