JOB INFORMATION PACK WITH FURTHER DETAILS AND JOB DESCRIPTION FOR THE POSITION OF CAFÉ SUPERVISOR (FIXED TERM)

The Australian Age of Dinosaurs Museum of Natural History (the Museum) is a relatively young and small museum staffed by people who are passionate about dinosaurs and fossils, Australian natural history and getting visitors involved. The Museum holds the world's largest collection of Australian dinosaur fossils and operates the most productive Fossil Preparation Laboratory in the Southern Hemisphere. The Museum hosts over 55,000 paying visitors annually, mainly self-drive Australian tourists who travel a long way to visit us. Giving them a fascinating experience and encouraging them to be ambassadors for the Museum is important to us.

The Museum is located on The Jump-Up (Australia's first International Dark-Sky Sanctuary), about 24km south-east of Winton in Central West Queensland. With the **Dinosaur Stampede National Monument at Lark Quarry Conservation Park** (the Park, managed by the Museum) 110km south-west of Winton and the dinosaur attractions at Richmond and Hughenden, north of Winton, the Museum is a vital part of Australia's dinosaur heritage and dinosaur tourist trail.

The Museum, opened on the site in 2009, includes a Fossil Preparation Laboratory, a Reception Centre with exhibition space (the Collection Room), Shop and Café, the Dinosaur Canyon Outpost and five Outdoor Galleries in Dinosaur Canyon and the *March of the Titanosaurs* exhibition and Gondwana Stars Observatory.

Visitors pay for hourly guided tours of the Laboratory, Collection Room and Dinosaur Canyon. The Laboratory and Collection Room tours run for approximately 30 minutes each and the Dinosaur Canyon experience, including the *March of the Titanosaurs* exhibition tour, runs for 1.5 hours. The Noble Express shuttle bus is used to transfer visitors from the Reception Centre to Dinosaur Canyon and back again. Tours operate at the Museum and Park seven days a week during the busy tourist season of April to September (Winter Hours) and six days a week (not Sunday) from October to March (Summer Hours).

Group bookings for tourists and schools are typically scheduled for separate tours, with options for morning or afternoon tea, as well as group lunches and evening BBQ meals. Staff rosters are adjusted for evening shifts, allowing staff to start in the middle of the day.

The Museum is headed by a Board, Executive Chairman and management team. It employs about 35 staff for most of the year on a full-time or part-time basis with occasional casual support. The staff are assisted greatly by members of the public who pay to attend the annual Dig-A-Dino program and participate in the Prep-A-Dino program, learning how to prepare dinosaur bones ready for research and display. When time permits Tour Guides on duty in the Laboratory also learn how to prepare fossils, puzzle broken fossils together and undertake other fossil-related tasks. Research on fossils is facilitated by our own field palaeontologists with experts from Australian and international universities and museums.

Take some time to explore:

- the Museum at www.australianageofdinosaurs.com
- Winton at <http://www.experiencewinton.com.au/> and <http://www.winton.qld.gov.au>
- the Dinosaur Stampede at <http://www.dinosaurtrackways.com.au/>

Winton is a remote town with about 1,100 residents, known for high summer temperatures and occasional winter frosts. It has a small airport with a twice-weekly service; the nearest airport with daily flights is Longreach, 177km away. The town features a gym, public swimming pool, hotels, cafés, grocery stores, a library, retail outlets, an Australia Post shop, National Australia Bank and schools (St Patrick's School and Winton State School).

1. About the Museum

The Australian Age of Dinosaurs Museum of Natural History is a world-class organisation and home to the world's largest collection of Australia's largest dinosaur fossils.

Australian Age of Dinosaurs was incorporated as a not-for-profit organisation in October 2002 and was based at Belmont, a sheep station owned by David and Judy Elliott. In 2006 a rugged mesa and wilderness area 24km south-west of Winton known as "The Jump-Up" was donated by the Britton Family and the Museum relocated there in 2009. Today the Museum houses the world's largest collection of Australian dinosaur fossils and comprises a Fossil Preparation Laboratory, Reception Centre and the *March of the Titanosaurs* exhibition at Dinosaur Canyon. Future plans include the construction of Australia's premier natural history museum.

The Museum is a non-profit organisation which draws support from across Australia.

2. Job purpose

The position of **Café Supervisor** exists to:
